Dear Dr Hill

The Independent Education Union of Australia welcomes the review of the MySchool website announced by the Deputy Prime Minister particularly in relation to the operation of the ISCEA.

The IEUA also notes announcements made by the federal government in relation to expansion of the detail provided through the MySchool website in its future iterations.

The IEUA has concerns with aspects of the current website and the manner in which data is presented.

The IEUA also has a number of recommendations in relation to the future development of the website.

Accordingly the Union would welcome the opportunity to meet with yourself to discuss the further development of the website at your earliest convenience.

Yours sincerely

Chris Watt
Federal Secretary
